

WELCOME TO SHANDONG LICUN POWER TECHNOLOGY & PT. SATRIA KONSUIL NUSANTARA JOINT VENTURE

Operation Partnership

LNET

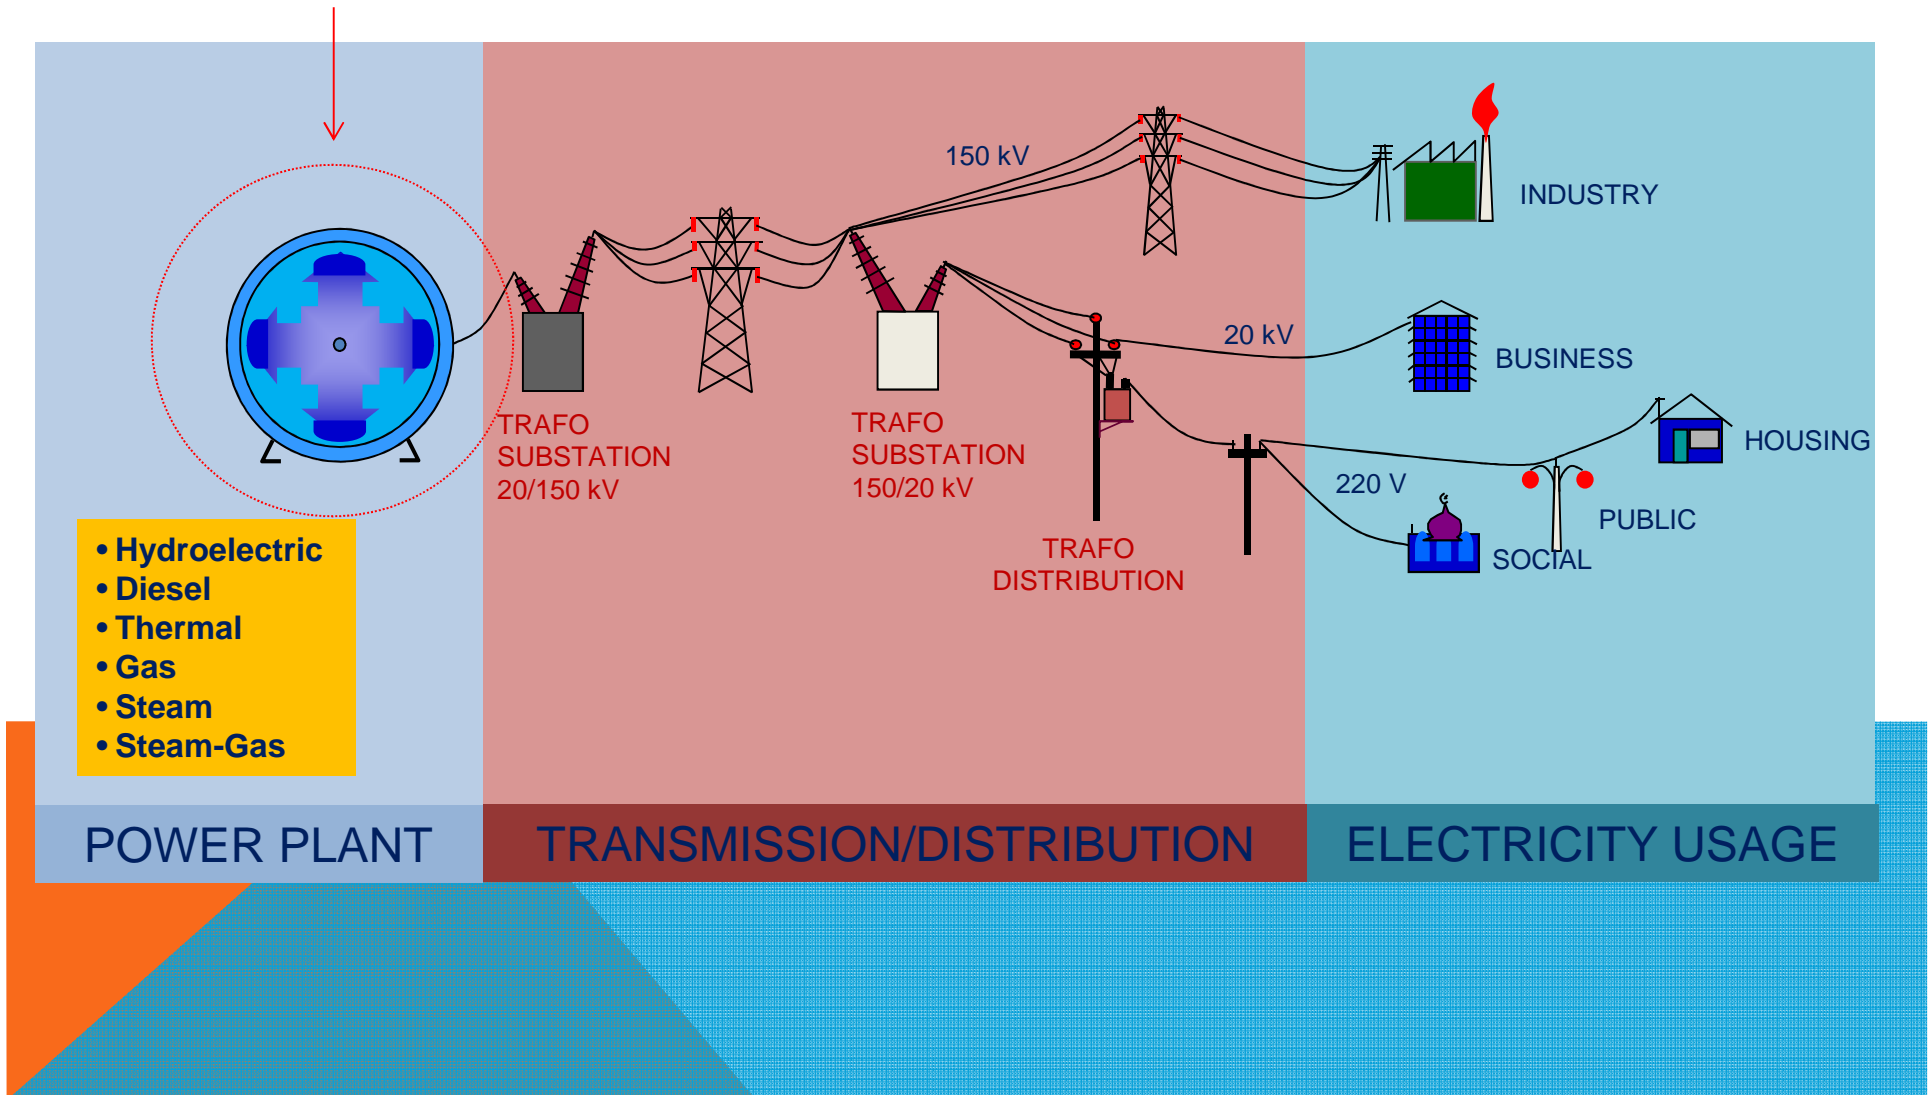

skn
PT. Satria KONSUIL Nusantara

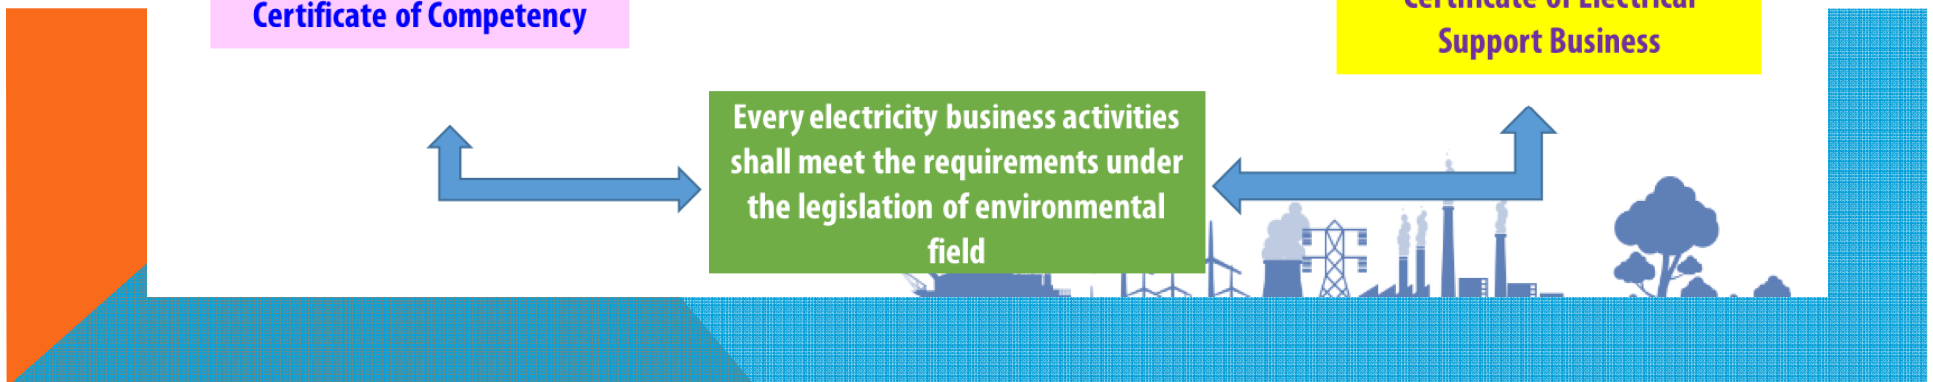

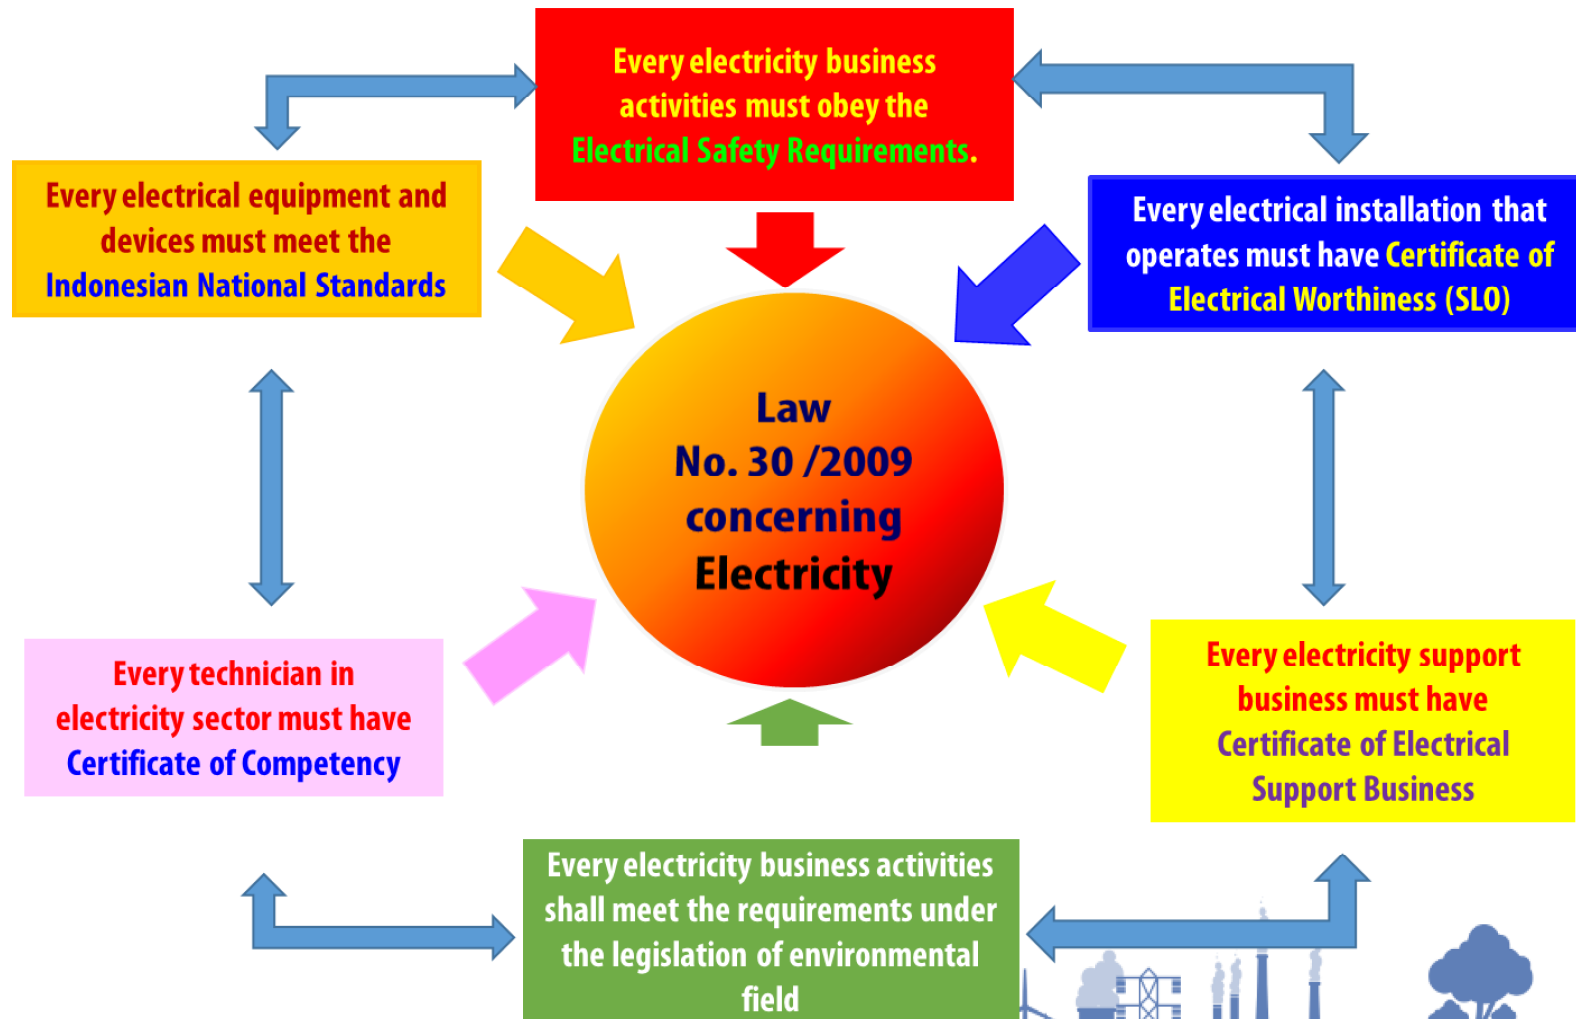

Scope of Works

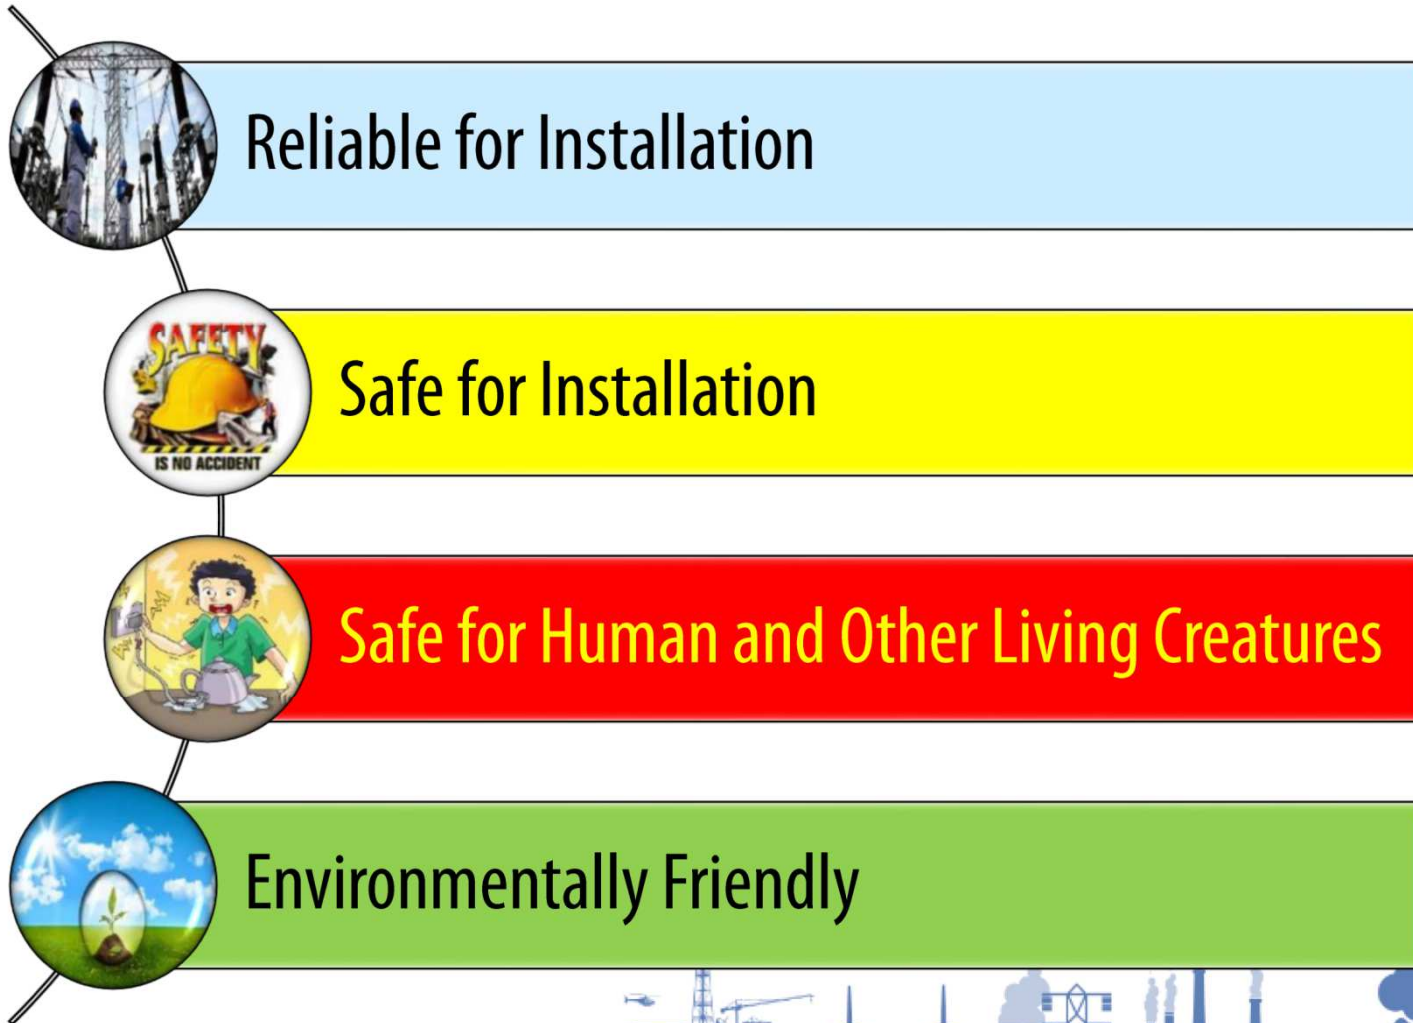

We are in this joint operation business

IMPLEMENTATION OF ELECTRICAL SAFETY

In Order To Achieve The Safety Requirement All Operator Needs Training.

Training Could Be :

1.Theoretical Training

2.Practice Training:

a.Training Simulator

b. On Site Training

Company Profile

Shandong Licun was established in 2002;

Shandong Licun provide the services of EPC contractor, O&M, Supervision, Commissioning, Overhaul and Spare parts;

Shandong Licun own professional team with abundant technical commissioning and operation management experiences for power plant, and has abilities to undertake several O&M service project simultaneously

Shandong Licun has provided O&M and technical guidance services for more than 10 Domestic and International Power Plants with capacity of 15MW, 33MW, 65MW, 135MW and 150MW etc.

Shandong Licun provides customers with a concept of integrity service, best practice EPC & O&M Services

China Power Plant O&M Technology Service Leading Company

O&M Achievements

Biomass Power Plant

Jingneng Biomass Power Plant

Address: Binzhou City, Shandong Province

Owner: Shandong Jingneng Group

Operation time: 2007.10-2009.4 18 months O&M contract

Capacity: **2*75t/h boiler, 2*15MW units**

Main scope: Operation, maintenance & overhaul

O&M Achievements

Coal Fired Power Plant Indonesia Lafarge Power Plant

Address: Lhoknga, Aceh, Indonesia

Owner: Subsidiary of Lafarge Cement Group

Service time: since Nov 2008 until now

Capacity: **3*75t/h CFB boiler, 2*16.5MW** pure condensing generation units

Main scope: Operation, maintenance, overhaul and spare parts of the whole power plant

PT. Satra KONSUL Nusantara

O&M Achievements

Coal Fired Power Plant

Cambodia Energy Limited (CEL) Power Plant

Address: Sihanoukville, Cambodia

Owner : CEL

Operation time: Dec 2013 until now, in total 4 years

Capacity: 2 *280t/h CFB boiler, 2*65MW pure condensing generation units

Main scope: operation, maintenance, overhaul and spare parts of the whole power plant

O&M Achievements

Coal Fired Power Plant Philippine Semirara 15MW coal-fired Power Plant

Address: Semirara Island, Philippine
Owner: Philippine Semirara Mining
Corporation

Operation time: March, 2014 until now

Capacity: **65t/h boiler, 15MW** unit

Main scope: Operation, maintenance &
overhaul

Coal Fired Power Plant

Philippine Calaca 2*150MW coal fired power plant

Address: Calaca, Philippine

Owner: South Luzon Power Generation Corp.

Operation time: March, 2015 until now

Capacity: 2*480t/h CFB boiler, 2*150MW

Main scope: Operation & maintenance

O&M Achievements

Heavy oil Power Plant

Bangladesh Shantahar 6*9 MW

Address: Shantahar, Bangladesh

Owner: Bangladesh State Grid

Operation time: May, 2013 – Oct., 2013

Capacity: 6*9 MW

Main scope: Commissioning & trail operation

Training for Power Plant Operators

Shandong Licun Power Plant Technology Co., LTD cooperates with PT. Satria KONSUIL Nusantara in the field of training and certification of Power Plant Operators (Operation & Maintenance – Coal Power Plant).
